

Velocity Audio Visual Services Fact Sheet

Overview

Velocity Audio Visual Services, San Diego's premier provider of audio visual, specializes in special event production for corporate and non-profit organizations nationwide. The company offers high definition production services, and provides state-of-the-art video, sound and lighting equipment. With more than 50 years combined staff experience, Velocity has the highest trained CTS Certified technicians in the industry who provide turnkey production services and client satisfaction.

Velocity AVS was established in 1999 when Managing Partners Toby Russell and Dave Howell merged their businesses. Headquartered in San Diego, Velocity is the in-house audio visual provider for The Dana on Mission Bay. An integral part of the meetings and hospitality industries, as well as the communities where we have offices, we are proud to be active members of **Meeting Planners International**, The **International Special Events Society**, The San Diego Convention & Visitors Bureau and The Greater Phoenix Convention and Visitors Bureau.

Philosophy

At Velocity AVS we mix passion, attention to detail and experience to deliver audio visual products and production services that lead the industry in quality and reliability. Our passion for the art of audio visual keeps us on the cutting edge, constantly exploring new technologies to offer the best equipment available. We pay attention to detail to ensure each client's unique need for audio visual is met. At Velocity AVS The Difference is in The Experience.

Velocity AVS Mission Statement

Our mission is to provide our clients with the best state-of-the-art audio visual equipment, up-to-date industry information, and the highest quality customer service at a reasonable price.
